William A. Hough High School serves the North Carolina communities of Cornelius and Davidson. The award-winning band program at Hough High School has a comprehensive and well-rounded curriculum that provides options for instrumental musicians at all developmental levels. We believe that music education is a powerful catalyst which greatly enhances the growth and development of young people.

There are more than 130 students in the band program and fees paid by their families provide 70% of our annual budget. We need community support for the rest. Your generosity will allow us to continue to advance the study of music at Hough High School. Thank you.
